

SHATTERGUARD LUMI-TWISTS™, MINI LUMI-TWISTS™, and PAR LUMI-TWISTS™

Superior Lamp is proud to introduce a new line of safety-coated shatterguard Superior Ultimate LUMI-TWIST™ lamps. With spiral lamps becoming more common, places such as restaurants might require a shatterguard coating on their spirals if used over food handling/preparation areas. Public places may also require a shatterguard coating on spiral lamps where breakage could occur and be a hazard.

These new lamps feature:

- Silicone polymer coating

- Contains glass if breakage occurs
- USDA approved
- NSF Certified
- Meets FDA and OSHA requirements

- Crisp White Light

- Freshwite® and Freshwite® XTRABRITE™ coated lamps

- Available in the following styles:

- 26W LUMI-TWIST™ (FW9050)
- 13W Mini LUMI-TWIST™ (FWX8650)
- 15W PAR30 LUMI-TWIST™ (FWX8650)
- 23W PAR38 LUMI-TWIST™ (FWX8650)

- OUTLASTS STANDARD INCANDESCENTS UP TO 14 TO 1

- 14 month life guarantee

Applications:

- Over food
- Public areas
- Bathrooms
